### The Costliest Thimble

Think of it, a thimble which cost sixty-five thousand dollars in American money! And think of a husband who presents his wife with such an anniversary present! This is what the King of Siam did upon the last anniversary of his marriage. The thimble is of gold, enriched with diamonds and precious stones. It is shaped like a partially opened lotus flower, each petal bearing the interlaced initials of the sovereign and his wife in amethyst, rubies, emeralds or topazes. Around the rim of the thimble can be read the date of the marriage according to the Siamese and European calendars, each number and each letter being alternate diamonds and pearls.

The thimble was designed by the queen herself and was made by a prominent jeweler.

### Use of Lemons

The juice of lemon taken in hot water on awakening in the morning, is an excellent liver corrective, and for stout women is better than any anti-fat medicine ever invented.

Glycerine and lemon juice, half-and-half, on a bit of absorbent cotton, is the best thing in the world wherein to moisten the lips and tongue of a fever-parched patient.

A dash of lemon juice in plain water is an excellent tooth-wash. It not only removes the tartar but sweetens the breath.

A teaspoonful of juice in a small cup of black coffee will almost certainly relieve a bilious headache.

The finest of manicure acids is made by putting a teaspoonful of lemon juice in a cupful of warm water. This removes most stains from the fingers and nails, and loosens the cuticle more satisfactorily than can be done by the use of a sharp instrument.

### Best of All

To cleanse the system in a gentle and truly beneficial manner, when the Springtime comes, use the true and perfect remedy, Syrup of Figs. Buy the genuine. Manufactured by the California Fig Syrup Co. only, and for sale by all druggists, at 50 cents per bottle.

### Employment Agency

The Ocala Employment Agency has opened an office in the Mitchell Block on Exposition street and will furnish help of all kinds in or out of the city. Call or address postoffice box No. 862, or telephone when you are in need of our services, and your order will receive prompt attention.

For those who believe in the fatality of the number thirteen, the American quarter-dollar is about the most unlucky article they can carry on their persons. On the said coin there are thirteen stars; thirteen letters in the scroll which the eagle holds in its claws; thirteen feathers composing its wing; thirteen feathers are in its tail; there are thirteen parallel lines on the shield, thirteen horizontal stripes, thirteen arrowheads, and thirteen letters in the words "quarter-dollar."

### A Powder-Min Explosion

Removes everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil or aloes pills, when Dr. King's New Life Pills, which are gentle as a summer breeze, do the work perfectly. Cures Headache, Constipation. Only 25 cents at Garrett & Gerig's Drugstore, Ocala.

## WHY HE CURES.

The Greatest Specialist of the Time Gives Every Case His Personal Attention.

**Doctor Hathaway's Method.**  
Most doctors have a certain number of stock remedies which they use in all cases which seem at all similar. This is not Dr. Hathaway's method. Every case with him is most carefully diagnosed and the exact condition determined. Thus every case is treated separately and no medicine is administered which is specially prepared under Dr. Hathaway's personal supervision for each case. Not only are cases affected by particular diseases in the same manner, consequently, in no two people should be treated in the same way even for same complaint. Dr. Hathaway is a specialist in the treatment of all diseases in a special manner of his own—a system which he has developed in the college and hospital practice and improved and enlarged upon constantly during the twenty years' successful practice enjoyed by any specialist in this country. Dr. Hathaway's great and uniform success is due to this individual system of treatment. In spite of hundreds of requests yearly from doctors of all parts of the world, asking for the privilege of using Dr. Hathaway's method of treatment, he believes it wiser to allow none beside himself the knowledge of his remedies, as he is too well aware of the mischief which may be done by the unskillful use of any system, claiming to be a cure for all diseases. Dr. Hathaway's treatment for blood diseases in whatever stage cures all forms of ulcers, sores, blotches, pimples, etc., and not only restores the skin and scalp to their natural condition, but so purifies the blood that the disease is permanently and completely driven from the system and all this without administering poisons or dangerous drugs. His treatment of Varicose Stricture is a method exclusively his own and in 90 per cent of all cases the results are a permanent cure. No operation is required and no pain or inconvenience is experienced by the patient. The expense of this treatment is much less than that of any operation, or hospital or institute treatment, and is both safe and sure, restoring the organs to a condition of perfect normal health. Dr. Hathaway has just prepared a new test question blank for those who have reason to suspect kidney trouble and this blank he will gladly send free to everyone who sends him his name and address. The demand for Dr. Hathaway's new book "Manliness, Vigor, Health" has already exhausted the first edition of 10,000, but for a limited time a copy of this book will be sent free to anyone who sends his name and address to Dr. Hathaway. Dr. Hathaway makes no charge for consultation and advice at either his office or by mail.

THE PEOPLE WHO HANDLE EVERYTHING.

# HOPE!

Victims of malignant Blood Poison and Scrofula were formerly looked upon as lost. Fearful of contagion, their friends denied them companionship and medical ignorance denied them hope. Their life was worse than death and their only relief the grave. Many such cases were especially sad from the fact that the sufferers contracted disease by accident or heredity and through no fault of their own. Modern civilization looks with sympathetic consideration upon all cases of blood poisoning, and medical science, after groping for centuries in darkness, has finally evolved a cure. Despair vanishes like an evil spirit. Hope shines forth like a glorious sunrise.
